PEDIATRIC & CONGENITAL HEART SURGERY

Subject: Letter of Appreciation for your efforts towards this kind & benevolent act.

Dear Sir & Madam,

Greetings from **Department of Pediatric Cardiac Sciences, Fortis Escorts Heart Institute and Research Center..**

We are writing to express our deepest thanks to Diya India Foundation and its supporters for helping to arrange the necessary funds for the Patient Vishal Singh who was suffering from Congenital Heart disease and requiring treatment. He was admitted on 05.11.2018. and underwent (VSD Surgical closure) on 10.11.2018. He has been discharged in stable Condition. It was a significant contribution to bridge the gap between the fortunate and the less fortunate to have such high end medical treatment.

We cherish your support and hope to continue the long term association with your organization.

Thanks & regards

Dr K.S. Iyer
