Dear Sir,

Greetings from Department of Pediatric Cardiac Sciences, Sir Ganga Ram Hospital

We are writing to express our deepest thanks to supporters of Diya India Foundation and FIVE HOLDINGS team for helping to arrange the necessary funds for the patient Avni who was suffering from Congenital Heart disease and requiring treatment. She was admitted on 29.06.2017 and underwent Open Heart Surgery on 30.06.2017. She has been discharged in stable condition. It was a significant contribution to bridge the gap between the fortunate and the less fortunate to have such high end medical treatment.

We cherish your support and hope to continue the long term association with your organization.

Thanking You

Dr. Raja Joshi
