PRINCIPAL CONSULTANT

PEDIATRIC & CONGENITAL HEART DISEASES

Subject: Letter of Appreciation for your efforts towards this kind and benevolent act

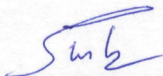

Dear **Diya India Foundation**,

Greeting from Department of pediatric cardiac sciences, Fortis Escorts Heart Institute &
Research Centre

We are writing to express our deepest thanks to **Diya India Foundation** for helping to arrange the necessary funds for the patient Baby Lavisha Mavi who was suffering from Acyanotic congenital heart disease. She had undergone PDA ligation on 12/11/2021 at Fortis Escorts Heart Institute, New Delhi and was on medical follow up. On follow up echo aortic stenosis increased for which she needed balloon aortic valvuloplasty which was subsequently done on 10/03/2022 and was discharged on 11/03/2022 in stable condition. It was a significant contribution to bridge the gap between the fortunate and the less fortunate to have such high end medical treatment.

We cherish your support and hope to continue the long term association with your organization.

Thanks and regards,

Dr. SUSHIL AZAD
